“ I just today found out about Bob's passing and am deeply saddened by the news. I am having a hard time writing this as I know how much he was loved by so many wonderful people and you are all in my prayers. People always write about the good things when remembering friends and loved ones when they pass but God's honest truth is this Earth lost one of the greatest men I have ever known when God called Bob McCallister home. He was wise, always kind, always smiling, and just had an incredible peaceful glow to him that made people want to be around him. You will be greatly missed Bob McCallister. I was so very lucky to have known you. What a truly great husband, father, grandfather, great grandfather and man you were.
