“ *All my love and prayers go out to my Aunt Della, my mother Carrie (Oliger) Knight and all of my Uncle Bob's extended family. He is in better hands now and having a most glorious family reunion with Grandma and Grandpa Oliger and all his siblings that have gone on before (Robbie, LeeRoy, Alma Dean, Hiawatha, Ernestine and Carolyn) not to mention numerous other family members that were there to greet him. My memories are too numerous to write down, but I will always hold close in my heart the hours of childhood spent with my Uncle Bob and Aunt Della. Will miss him very much.*

“ *Uncle Bob took on the role of my Grandpa because they died long before I was born. He taught me everything I know from how to hunt and fish, put my first bike back together (I tore it down to the frame everyday because I wanted to fix things just like my PaPa), how to work on houses, trucks, equipment ect. So my Favorite memory of Uncle Bob is the 26 years I got to spend learning from one of the greatest men to ever walk this earth. I Love and Miss you more than you will ever know Papa.*
