“ *I love Bobbie Huffman. She is a wonderful sister-in-law. I have known her most of my life. When my Mother married Doyle's dad back in 1960, I was so happy because I had know Doyle and Bobbie both even when i was a very young pre-teen in Morrilton growing up. I adored both of them. Bobbie was always so good to me. I used to go to their house as often as I could to see them and Judy and Jim. I am thankful for the wonderful memories she has left. She was a woman of integrity, honesty, and a good servant of the lord. I miss her!*
