I will always remember his quietness, gentleness and his slow smile which would turn into a grin. “ *Our hearts and prayers go out to his family. We have lost a special friend, but we will always have the those special times with Bobby. We will always love him very, very much. Rodney has lost his best friend, cousin. What Rodney remembers most is when they played cowboy and indians, we became blood brothers back when we were kids, and we buried cheese in a garden thinking that it would grow and got our butts beat. There will be a empty spot in my heart for the rest of my life, i will miss you so very much Bobby.*

“ *Dear Family*
One of the things I will always remember about our high school days at Plumerville is that Bobby was such a good friend to me and my brother Randy. And how he loved his friends. Oh and of course he had that Mustang!!!! I know today your hearts are broken but hold on to your sweet memories.Love and take care of each other.
