“ Uncle Bob, if anyone ever impressed me as much as you did regarding doing my best at becoming successful, I haven't met them yet. I like to think you are walking barefooted with aunt Donna on streets made of 24k gold

“ To the family of Mr. Bob Gipson:

We are so very sorry for the pain you have been and are feeling due to the hospitalization and the passing of such a special man. But, passing it is, from a state of sadness to an eternal state of perfection. What a hope we have in Jesus' gift.

The beautiful smile, the joyful laugh, the gorgeous white wavy hair, the handsome man, the contagious love he had for life will be some of the memories that will keep him in our hearts.

Please know you have long been in our prayers and that we love you.

*With loving sympathy,
The Wilhite Family*

“ To his family I send my deepest and heartfelt condolences. Mr. Bob and I met on a pipeline job 30 years ago, I was a laborer, he encouraged me to buy a 798 book and I did. He then gave me a Job, put me with a good helper that trained me. In those 30 years if I ever called him and needed to work, he hired me. A great man he was..... I am now retired from local 798 and I only have Mr. Bob to thank for his help and mentor ship. I will never forget him as long as I live. Mr. Bob fly high in heaven, your good work is complete here on earth. I hope you will be waiting on me at the pearly gates. Your laughter, big heart, soft voice, strong hands and good looking face will be missed by too many to count. You were one of the most God fearing men I have ever me. Even when you were mad! I miss your presence in this world.....
