“ Brad was such a fun, kind, and genuine friend. We initially bonded over a shared love of history and bacon, but he quickly became my go-to for questions of advice and faith. I left every conversation with him feeling happier. I'll miss him enormously.

*Praying your family feels God's peace that surpasses all understanding.*

“ I had the pleasure of working with Brad at the bus plant for a few years. Brad always had a smile and always had a joke. Most of all he always was eager to talk about his Lord. I have no doubt that Brad is with Jesus now. While we will miss him here, we know that one day we will see him again. God bless you all.
