“ *So sad for your pain in Brian's homegoing. I have you in my heart and prayers. I too remember Brian riding his bike and selling newspapers! I remember hearing him practicing his trumpet, and sometimes directing music at church. He was such a talker and had very matter of fact opinions! "Well, you know what? I'll tell you..." haha! He was very funny and loved to tell you all about his latest venture! His photography, the next thing he was going to do to his big Ram truck, etc May the Lord keep you close, heal your grief and give you his strength. May he Hold you Fast.
