“*Bud was always a rock to our whole family! When one of our own would go to meet God, Bud was always right there to give spiritual support and preach the funeral or whatever we needed. No one could handle a funeral any better than Buddy Gene! He seemed to know exactly the most comforting words to say! He just had the sweetest spirit of anyone you could ever have known! His laugh was infectious and his smile was a mile wide! He was the most tender loving person in the world! I will certainly miss him as will the most part of this piece of God’s country! Heaven was made a better place today!*”
