“ *I'm so sorry to hear of Carl's passing. He was and absolute great guy. My grandparents lived 4 houses down on S. Wakefield. He used to take my younger brother Jason and myself to the races every Sunday when we were kids. We were preoccupied with my mother's health. Patricia Willfong. She passed July 16, 2021. I'll always remember and miss Carl...*

“ *I worked with Carl at Teletype/AT&T for 18 years. He was a nice, friendly, funny guy. Rest In Peace, Carl.*

“ *Mr Carl was a good man, a great dad and treated me like one of the family. I don't think he ever met a stranger. I appreciate him and Sula allowing me to spend so much time at their house. When Carla and I were young scamps, they were the family I never had. You girls were fortunate to have had such a great dad. The fact that he was a car guy and what little I know about cars I learned from him and Carla. Thankful to have known anyone in their family because they were all wonderful to me. I always said I'm going call, visit, write and I never did. This teaches me don't put off getting in touch with the people who mattered in your life and saying thanks.*
