“ *I have known Carl Ray for 53 years, I was just a little boy when he & Mary moved into my grandparents rent house. I was a really good friend to Robert before grade school, high school and then when we were adults. Carl & Mary moved to her parents land which is about 1/4 mile where I live. So, yes Carl had a hand in raising me. I considered him a great friend and mentor during my life. I didn't have contact with him for a couple of years when he moved away from Perry. Carl was a very good and kind man, and we had many wonderful times together from fishing when I was a boy to hunting after I became a adult. Carl will be missed by everyone who knew him. My Wife & I are praying that GOD keeps his loving arms around the Jones family during this time of loss.*
