“ *I just found out about this. I'm very sorry to hear about your loss. I can't begin to imagine what his son is going through. I didn't really know Wayne, only met him once or twice maybe. But his family are all good people. With every end is a new beginning, God be with all of you.*

“ *Granny just called and told me the news!She couldn't remember when you called, or any details. I am so sorry!! If I had only known, I would have been there for you all. The last time I ran into Wayne was last year in Morrilton and he invited me to come see him, I regret now not taking the time to go see him. Please know how sorry I am for you and will keep you all in my prayers.*

“ I am sorry for your loss. I have known Wayne for almost 40 years and thought alot of him. We sort of grew up together as Carl Sr. used to live here in Perryville and I was raised and played with his kids and his step children. Again I am sorry for the loss of Wayne for his family.
