*To Carla's son-I am so sorry to hear of the loss of your mom. Keith I dont know if you will remember me but when you and Chris played Catholic football myself and Chris brothers Drew and Matt sat with your mom and grandparents. did we have a good time. I worked with your mom at Baptist and was in contact with her when she was at UAMS. She was a great and caring nurse! you are in my prayers during this time. “ I had the fortune of working with Carla in the "old ER" from 2004-2009. She was a gifted teacher, trauma and ICU nurse. I met her during a SANE training and she encouraged me to work in the ER there, though I had no prior ER experience. Carla was one of the most calm, patient and kind people I worked with. She was always a beacon of hope and light, truly a mentor. I always enjoyed the Christmas parties she and John would throw. I had small children at the time and I remember her sharing with my sons her Lemon Heads. So my son named a turtle he found after her! Carla will be missed and I continue to aspire to be like her. I can only imagine the grief Keith, John and the extended family are dealing with. You are all in my prayers.

“ Carla and I did so many things together:. UAMS ER, TNCC, CPR CLASSES, the list goes on. What a loss for us, but a gain for heaven! To her family and friends, may you feel the loving arms of Christ around you as you continue your earthly journey without her.

“ I am so heartbroken for Carla's family. She was such a light in the ER as I was baby RN and she made me feel loved and appreciated. She was wonderful to everyone she met.

“ Mrs Carla always greeted everyone with a smile. Never knew a stranger and was always getting ready to hold some party. She was a wonderful woman and mom. I know she is going to be greatly missed but I also know she is preparing a reunion party in heaven for when we all see her again.

“ Carla was an all around great person. I loved her laugh. Did I mention how smart she was. I loved hearing her lecture on shock, I could learn something new every time I heard her lecture. I would not be the nurse I am today with out her wisdom and grace, that she so willing agreed to pass on to me. Carla will be missed.
