“ *Carol and her whole family were special to me for many years. She was a precious person who always had a good laugh. Her home felt like a second home. She always made me and my brother feel comfortable, like family. I haven't seen her in too many years but I know she's in a better place. Condolences to the family.*

“ *Noel,*

All the children and grandchildren, I offer you my deepest and sincere sympathy. I have many fond memories of Carol while growing up in Morrilton. Carol was so good to not only my Mother but also all the patients at Brookridge manor. I always made it a point to see Carol when I visited my Mother. Carol was nice to everyone she met, it was natural for her. I am glad I knew her.

“ Carol Jean and I were friends in elementary school. We thought it was so neat that we both had the same first and middle name. My thoughts and prayers are with the family at this time.
