“ *Thinking of all of my cousins with love and fond memories of all the backyard barbeques and vats of chili we shared in California, the fish fries we enjoyed in the summer heat of Arkansas, shared hours in your general store, and happy days chasing fireflies, rattlesnakes, rabbits, baby calves, and how many thousand chickens ??? Please get thee to the swimming hole and enjoy a good giggle for me when this summer rolls around and remember that it is with deepest sympathy but wonderful memories we mourn the loss of your Mother.*

*With love to you always,
