“ *Carrol and I never spent a lot of time with hobbies but we sang together for the glory of the Lord. He came into my families lives just at the right time, and God's timing is always on time ! I told Carolyn in the hospital this week that I guess I was as close to him as anyone. Second verse and second measure of Beulah Land (Carrol's song) explains that our faith shall become sight -- He's seeing it right now and I wouldn't deprive him of it for anything !God bless family -I love youBill Powell*
