“ *Teresa, I worked with you at sears when you were in high school. I was always so amazed by your close and fantastic family. I'm so sorry to read about your mom. I still relate some of the wonderful things you shared and I met her a couple of times at the store. I know that she will be missed by so very many. You are all so very blessed with many memories sharing just a few with coworkers. Around 45 years later, I still relate a few of those to my son, grandson, & great grandson. What a blessing! Sincerely, Sherry Haywood*
