“ *Cathy has been a part of my family since I was a baby. This world will not be the same without her but it brings me peace knowing she is with her parents and Chris. The last 3 years of her life we became very close. She helped me through a very low part in my life and I will forever be grateful to her. She will forever be in my heart and I miss her terribly but I feel she is finally at peace and she definitely deserved nothing less than that! I will always love her like a mother, sister and friend.*
