“ I will miss Cecil . I met him years ago as a young 21 year old man. working under him in Coalinga. He was not only a father to his born children but also to me. He instructed me and advised me in life and he always let me know that he cared about my well being..I remembered the last time I talked to him when I was in Idaho and he asked me if I was still in church. i will never forget him.God Bless his children and family.
