“ *My deepest condolences to all the family. I had met Mrs Oswald many times as a young boy. She was a kind, thoughtful and sweet lady. She never failed to speak to me. I knew her husband Jim very well as a paperboy and shoe shine boy at Jays barber shop in Morrilton back in late 50's.*

Again, accept my deepest sympathy.

Thank you to the family for sharings Charlene with Brookridge Cove. She also had a ready smile for all employees and staff s like. I recently lost my mother and she was one of the first ones to tell me how sorry she was and to tell me she would step in if I needed her too. Thank you again.

“ *Michael and John and families, I am so saddened to hear of the loss of your mother. I have fond memories of living across from you all on North West Street. I especially remember us talking of how we were going to cook our Thanksgiving dinner. Your mom always said she had to cook her in sections, freezing some as she went, due to working during the day. As I have gotten older, I have thought of this conversation, as that is now how I have to cook mine, not because I am working, but because I have gotten older and unable to do it all at one time. I also remember, but not well, the story of your parents' wedding day with the horse and carriage. Didn't the horses act up?*

I know you are sad, but rejoice in knowing she is not in pain and is resting in the arms of Jesus, reunited with your dad and the rest of her loved ones gone before. May she rest in peace!! May God wrap his loving arms around all of you to give you comfort!!
