“ Kete lived life with Grace, Strength and Humor. She never complained and always thought the best of everyone and I never knew anyone who didn't love and admire here. I think there is a Special Place in Heaven for people like her. What a Wonderful person Kete was, she was so much fun laughing and having a good time with everyone. Her and Glen were Great together, they loved each other so much. We really enjoyed being with them. We are so Blessed to have had her in our lives.

“ I have been so blessed to have had Kete in my life. I have heard many stories of her young life from my late husband, Jim (Junior) Mason. What a courageous and strong woman she was. She always opened her home to us when we visited. My prayers are with her husband and family at this time. She will be missed, however memories of her will be with us forever.
