“ *Sorry for your loss, Chris and I wish that we wouldve had a chance to get to know that side of the family.*

I do remember there being several more grandchildren though, besides the ones mentioned in the obituary.

There was a Matthew, Kelly and Chris. Since their fathers were mentioned, I thought I would mention their other surviving grandchildren.

“ *Thank you for letting Kathy, Pam, Jack and myself be a part of your lives. Kathy, Pam and Jack had the blessing of getting to know your dad. I had the pleasure of hearing their stories of spending time with him and then being able to share that with you. God Bless You.*
