“ To Claire, Renee and your beautiful mother. I would like to take this opportunity to extend my deepest and most heartfelt condolences in the homegoing of your father. Your father was one of the most kind and humble spirited people I have ever known and I feel honored to have had the privilege of his influence in my life. He touched a lot of lives and his memory will forever be in my heart. May God continue to comfort and keep you is my prayer and may your family always try to emulate the wonderful qualities that your dad projected.

“*Brother Davis was the best 5th and 6th grade teacher ever. He taught me how to write correctly. He use to ask me when I was growing up "Brown, what do you want to do for a living when you grow up?" I enjoyed when he would lead singing at church too.*
