“ *I fondly remember Clyde from Greers. Always so very nice and kind. He taught me how to properly do a tie. Greers was a beautiful store and I miss that exceptional experience.*

“ We are saddened to hear of the departure of Clyde from among us on this earth. I know it's bittersweet since we will no longer be brighten by his presence here, however I believe we will all be with him soon enough where we will all be encompassed by the perpetual light of Jesus our savior. When I was young we would visit Uncle Ermon and Aunt Osie just about every week, sadly as I moved away, we could only occasionally visit. Clyde was always nice to everyone, all of my other older cousins did not want me around, they weren't mean just the age difference. Clyde was the exception, everyone looked up to him. Yes he was tall in stature but his spirit was even taller. Everyone remembers his smile. I don't believe he knew how to frown.

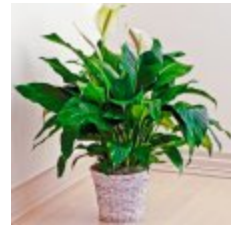

*Bless you and your family may all of you find solace in the precious memories of the times spent with Clyde*

“ Clyde, a friend of my father as a child, and a friend of my family later in life as a man. I have and will continue to cherish the memories of all the quail hunts we went on together, and much more. An amazing person that left a lasting brightness to our lives.
