“ *Clyde was an true gentleman, was always a friend ready to help when you needed. My best memory of him was when we were having dinner and he wanted to the last biscuit, he would look at me and say you can make more, right? He and Randy stayed often with my family (years ago), we shared stories, laughs and some tears. I remember him as a big guy, strong, and tough. He Loved his family and friends.*

“ I will always remember my Uncle Clyde as my Mom's Little brother. He would always come to the house, play hard with my brothers, tease me until I would cry, then he would say "I was only playing with you Pat", then he would smile that big, wide smile. His laugh was loud and contatious. We didn't think of him as an Uncle, he was just one of us kids. There were so many good times and some bad times but in all those times, God Blessed all of us with the knowledge that, the ones that go before us, would be waiting with Him and we would be joined together again one day, in the presence of God, Thank You Lord for your promise. I know that penticostal grandma of mine, (grandma Lola) is gathering up her children one at a time in Heaven. :) I look forward to the day when we will all be together in God's presence. I will see you again Uncle Clyde, I love you. This is Don and Ethel's daughter Pat
