“ *So many nights we had bunking parties at the Zimmerman house. Growing up, both Clarence and Clydean loved having as many kids over as possible. We loved spending time there and were blessed that Don and Sharon had such great/loving parents.*

Can't count how many times Clarence and Clydean would help us out of trouble. for example, Sharon, Michelle, and I skipping school in high school. We thought it was fun to just hang out at Sharon's house. Never thought it would be a bad thing.

Clydean making us cookies, pies, you name it, we had it.

She will be so missed! I was blessed to have known the Zimmerman family!

I'm praying for all of you!
