“ *I'm sure you don't know me. I am Alvie and Wilma Lee Bryant's daughter. My dad and yor Grandmother Ruth's dad were brothers. I was saddened to hear of the loss of your Dad. I knew Coby as a child, rode the bus to school with him at Cleveland. I was several years younger, but he made an impression on me back then. I remember him as having a wonderful sense of humor. I haven't been around him much since then, only seeing hime once or twice since then, but I've always thought highly of him. I pray that God gives you comfort, strength and peace during this trying time.*

“ I will keep you all in my thoughts and prayers. The memories I had of Coby are very pleasant "make ya smile" kind of memories. All the way back when I was a small child to adulthood, it didn't matter the day or place-I remember he always had a smile and a hug for me- and his smile would light up the sky! “ Coby was in grade school at Cleveland with me. He was always fun to be around and I loved his happy smile. We continued on to graduate together. He still had that smile. It's hard to lose someone you've know for so long. I pray for his family in there time of grief.

“ I am so sorry Missy and Mandy of the loss of your dad and the suffering all of you have been through. My memory of him is that he always had a smile on his face. I would see him at Wal-Mart or somewhere in town and he would always smile and say something to me. Love ya'll.
