“ *I want to say I am very sorry for your loss. I have so many memories of Craig from my childhood, its hard to believe he is gone. I love you all. I am sorry for not being able to make it i would love to have been there to support you all. When I think about Craig and i think about the time Stasia and I were in the back seat of Craig's car and he ramped the hill there in Bigelow and Stasia and I flew up out of our seat. Ha good times with that man! I love you all and never forget he's watching over you!*
