“ *Pat, and family, I am sorry for your loss. I knew I hadn't seen Wayne lately at the post office. I didn't realize he was so bad. I get so involved in my own little world I forget to keep in contact with people. Please know I am thinking of you all and that God is there to comfort you in this time of grief.*

“ So many beautiful pieces of furniture in my home were upholstered by Wayne, and his wife often came with him. He also did a beautiful valance in my home at Morrilton. He was simply the best, and I don't know what I will do without him. My deepest prayers go to all the family. Please let me know if I can help in any way. Ruth

“ Pat and family, I worked with Wayne when your dad had his shop in Little Rock. I thought of him often through the years. I regret hearing of his passing. He was a good man, may god be with you in these trying times. Robert
