“ *Thank you to everyone who has called us and prayer for our family. Our son and brother was a good man with a heart of gold. He never met a stranger and befriended everybody he came in contact with. We will truly miss his smile and laughter. We are all grateful in knowing that we will see his smiling face again one day.... some day soon. We love him so very much and he will be missed greatly until that day comes. Again thank you and God Bless!*
