“ *Brother Dennis, I know you will remember me, so that is why Bro. Bill called me yesterday about you and your wife's loss. Please know that over the years you two have always been in my thoughts and prayers as they are today.
My friend Lew Gassaway also asks that you be told that you and your wife are in her prayers as well.
With much love I ask the Lord to give you strength to go through these difficult days. Always remember that the challenges we face each day can never defeat us---only we can do that.
