“ Regina, Doug, Libby and rest of family, We are so sorry. We lost a good friend today. Danny was more than a friend to Ray, he was a brother. He was always just a phone call away and there was not anything he wouldn't do to be there for a friend. All the times he and Ray spent together growing up, even getting into trouble, will be treasured memories. He was taken too soon. This is so hard to accept but we know Danny is in heaven and God is in control.

“ I was deeply saddened to hear of Danny Ross' passing. It has been many years since I have seen him, but I thought of him often and had asked my kids about him. There are some who you come in contact with and they leave a lasting impression and Danny was one of those people . I'm sure Faye and Mose have welcomed him home. Regina I fell your pain. Stay strong and may God wrap his arms around your family through this most difficult time. God Bless! RIP Danny...fly high!

“ A person really can't put how they felt about D R into words. He was a great person to work for, work with and just be around. He would do anything for anyone and once he considered you a friend, you were a friend for life, even if you didn't talk to each other often. He and I had many conversations about many things and as he always said, we had an "understanding". He will be greatly missed and the field office will never be the same without him. Rest easy now, Danny Ross.

“ *D.R. was one of the good guys! He always had a handshake, a smile and an encouraging word. He made the time and took the time to stop and visit with the crew of the Shorty Baird where ever we were working up and down the river. After work hours, He made the effort to put on a fishfry or a rib cookout for the crew. I will miss you and I cherish your friendship. Go with God my friend!*

“ Danny Ross was one of the good one's. He always checked in on me when I was working at Toad Suck L&D. And I always called him first if I needed a Ranger. I also got to hang out with him off duty a few times and good times were always had. He was a great story teller, and just plain fun to be around! He was taken from this world to soon! My heart goes out to the family. Danny will be missed!

“ Danny Ross will never know how memories of him and his family are some of my favorite childhood memories. My first trip to Bigelow to spend the summer away from California was when I was twelve years old. I can remember him picking me up at the airport and wondering on the drive to Aunt Fay an Uncle Mose if he would ever stop talking and if he really knew all the people he waved to on the road.

I just spoke to Danny about 3 weeks ago to let him know that I would be going to Missouri to see my daughter Erica and that I would be coming to see him and everyone else in the family. I was so looking forward to it.

Regina, Doug, Libby, Sherri Sue, Lee and Dixie I love you all and wish I was there to hug you in person.

"A GREAT MAN, WHOM WILL BE GREATLY MISSED. THANK YOU FOR ALL THE WONDERFUL TIMES AND MEMORIES."

DAD LEAVES ME DIMES EVERYWHERE ALL THE TIME, i CANT IMAGINE WHAT i SHOULD EXPECT FOR YOU TO LEAVE TO LET ME KNOW YOUR THERE BUT I WiLL SURE LOOK FOR THE SIGNS.

“ My husband and I are heart broken to hear of Danny Ross's passing. He was our boss when we worked for the Corps as Hosts for 3 different parks. Cypress Creek, Bigelow Park, and lastly Sequoia Park. Our friendship went beyond what the average friendship went. We considered him family and loved him dearly. I just recently ran across his passing on the internet and it broke both of our hearts to hear of his passing. Danny Ross was one of the most generous, caring boss's we could have ever asked for but he would also tell you where the bear went in the buckwheat if you crossed him. Not only was he a great friend who would just stop by to visit but if any trouble arose in any one of the parks, he was always there besides us. A true friend who we will miss dearly. May God hold him in his arms and give us the strength to deal with his passing. God Bless his family.
