“ I meet Darrell in and around 1987, and could tell right off he was a wonderful person. It didn't matter if it was five years or ten years since he seen you he was still the same gentle soul and made you feel like the years had never happen. Prayers for his family as they move forward. RIP Darrell.

“ Darrell was like a brother to Larry and I! We spent every day together in our younger years! I have so many great memories of he and Tammy! They would come over and play all day! Some days they would leave and say, we are never coming over again, we don't like y'all anymore, we would say fine by us. They would be back the very next day and everything would be fine! We loved each other so much! Momma drove a little VW bug. We would all load up in that bug and go to town and get groceries! We think back and wonder how we all fit in there! It was mamma, grandma, Nina, Darrell, Tammy, me, Larry, and sometimes Kerrie! I don't remember a time growing up that Darrell, Tammy, and Nina were not with us! Bill worked nights so they came to our house during the day as not to disturb him! What fun times! I did not see Darrell as much when we had our own families and moved apart, but when I did see him, he was the same ole Darrell! He just made you happy to be around! I'm going to miss him! I will cherish all of our memories!
Please know you are in my thoughts and prayers! I love you all!
