“ My prayers and sympathy go out to David's family. It is sad to read of his passing. I knew him in the mid 1950's at Oppelo Elementary School, and we were good friends for the few years that I lived in Opello. I lost all contact after moving away, but I thought of him often and cherished the fond memories of the fun we had as kids. Time passes too quickly and so do friends. Thanks for the memories, David.

“ I will cherish all the awesome memories with David! Before I was even married into the family nearly 13 yrs ago...David made me feel like part of the family from the very beginning. I will miss him so much but I have to say that my best memories with him would be his endless jokes mostly at my expense...he could make me laugh when no one else could:) I love you David Jones! Love, Donna Johnson
