“ *David, my uncle but so much like my brother at times when we were growing up. We all had so many fun times with you. I always knew what a strong and tuff guy that you were, I never worried about anything when you were around, but I also knew what a big and tender heart you had and that is what made you so speical. Things will never be the same without you. From all of your nieces and nephews: Theresa, Linda, Charlotte, Lisa, Robin, Jamie, Kevin, Dustin, Daniel, Heather, Haleigh, Jordan, Vicki, James and Allison. WE LOVE YOU*

“ JoAnn, I just wanted to let you know that you are in my thoughts and prayers during this tough time. We have lots of wonderful memories over the years together. My favorite one is how him and Kaleb were both so scared of storms and dad and I would laugh and joke about how them two were so scared of them. He will forever be missed. Amanda Barkley-Underhill

“ To the Potette family and JoAnn, *I am very sorry about David. We were in the same class, MHS class of 1977. I was so glad that he came to the class reunion and enjoyed it so much. I also got to see he and JoAnn in Russellville just before Christmas and visit with them. He told me how much fun he had at the reunion.
The class has an In Memory of, brick that will go into the side walk on the east end of the Depot, I am so sorry to have to add his name to this brick, but you all can come by Doyle's Touch of Gold in a few weeks and I will show you his name on the brick. Again, I am so sorry for your loss, Carl, Cecil, Betty and JoAnn if there is anything that I or the Class of 77 can do, please let me know!*
