“ *Dear Mrs. Walls,*

*I worked with David in the reference department at the library for many years. He was very quiet and shy, but would go around the world and back to help. He helped not only the patrons, but his fellow staff as well. David was so sweet and gentle. I never once saw him get flustered or upset with anyone. Everyone at the library who knew him remembers him fondly.*

*My prayers are with you during this time. May God give you comfort.*

“ *I had the opportunity to work with David at the Main Library until he retired. He loved his job and he loved helping everyone here. David always went above and beyond to get the information you needed. And he always had a smile on his face. He will be greatly missed.*
