“ Ms. Carolyn,

*I was so sad to hear of your loss. DC was a fixture in the community as we grew up and I always loved seeing him wave as we drove up and down the road. My favorite memory of him (that we still talk about!) was how every Halloween when we were younger we would be prepared (or so we thought) for him to scare us and each year he did something different...it made your house one of our favorites. Sending our condolences and prayers to your family.*
