“ *She loved our Lord Jesus with all her heart and soul. She loved her husband and family with that same passion. She loved the Mexican people she served in Reynosa where we 1st met and became immediate friends 20 years ago. She was one of my dearest friends and prayer partners. Most of all she is and will always be my sister in Christ. I will miss you Deb but I won't say goodbye because I know where you are. Dancing and singing with the heavenly choir surrounded by His immeasurable love. No more pain and no more tears just complete joy in His presence.*

She was the most caring, compassionate lady I've known. You wouldn't know how bad she might be feeling- even if you asked her. She spent time in intercession for many beyond her own family and more than anyone I know. She had everything to offer that anyone needed although most couldn't see it to receive it. We didn't get a lot of time together but when we did, it was always precious. Her presence with Father God was a daily thing and it glowed from her. Dance away Debbie, the only thing you couldn't do here that you wanted to do,,dance in your worship. I meet you in that dance one day.
