“ I have some of my greatest memories as a child going to the fish house in Damascus with my papa (buddy Richardson) and my nanny it was there favorite place to eat and we always sat in the same spot. It's hard not to remember Mrs. Dede in those memories as well always remembering every single person and always asking how we've been. I always loved seeing her as we left.

“ Donald, Mackenzie, Mallory, Hunter, Mrs. Rosie, and Mrs. Jan I am so very sorry for your loss! The James/Brant family sure did a LOT to help me in life and genuinely made such a positive difference. Currently, I am a nursing supervisor who oversees 111 employees and 52 patients. I am not sure i would be here today doing this without the influence and help of Donald and Dede Bryant or Mrs. Rosie! I often share stories with my patients and coworkers about the days I worked for Mrs. Dede, Donald, and Rosie and how fortunate i was to have these opportunities. I remember riding to and from work with Hunter and how we would call Dede and tell her about the night at the fish house. Im sure thinking of you guys and sending you prayers and love.
