“ Tisha and Tanya,
I was shocked when I got my headlights paper today and learned of DeeEtt's passing. I have such fond memories of being at yall's house, playing music, watching movies and just hanging out. She would always have all kinds of goodies to eat. In her kitchen is were I developed a lifelong love affair with Rotel dip. I always thought of you guys as being like family. Those were fun and happy times. Although time has passed and I lost contact over the years I think of her often and enjoy reflecting back on those days. Wishing you all well and so sorry for your loss.
