“ I had the opportunity to serve Jesus with Delores, receive hospitality and even work with her at DODDS schools. Delores shared many beautiful gifts with me. She faithfully played the piano for praise and worship, provided encouragement and hospitality. . Delores was a kind, giving woman who loved her family fiercely. I know Jesus said “well done my faithful servant” I am grateful for the time I had with her.

“ Delores was a very dear friend to me. She left me with memories that I will carry with me for the rest of my life. Delores was a giver and I believe that was because she had been given a gift that brings us to that place. She was given the free gift of salvation. A gift that blooms love, forgiveness, compassion, and giving. Delores once gave me a Bible, the only Bible I have ever read from Genesis to Revelations. She taught me to accept the kindness of others and to give without expecting anything g in return and even taught me to cook a few things. She was a talker and shared so many wonderful stories of her children and husband Lloyd. Delores was a very sweet woman that I have had the great pleasure of knowing. Rest in peace my friend till I see you again. Kiss my babygirl for me and wave hello to my granny May for me.
