“ I had classes at Morrilton Junior High the year we moved to the new building with Marty Grady. I heard about him several years ago. Did not know if true or not. Now I hear about Dennis who was I believe a grade ahead of me but I remember him. I am so sorry for your loss.

“ Dennis, Jeanetta, Cindy and boys..I know you may not remember meeting me.I came to mama Grady's funeral with Tia and Gary..but i wanted to write you a noteand tell you I understand and know what you are going throughand the grief you are feeling now. This too shall pass, I promise you based on His word. He will never leave you or forsake you. I also lost my eldest son 12 years ago.But I know of a certainty that with tenderness and knowing He touched my wounded soul and made my broken places whole again. I say, knowing, because God reminded me that He also lost a son when Jesus died on Calvary. Dear ones allow God, the master potter, to reshape and remold you...and He will with compassion and mercy make you whole again. I am praying for you all. Love Nana (Frances Mangum)

“ *Life is a story in volumes of three
The past, the present, and the yet to be.
The first is finished and laid away
The second, we are living day by day.
The third and last of the volumns of three
Is hid from sight...God holds the key.*

Dear Dennis and Jeanetta

There are so many things in life that happen to us that we dont understand, nor do we agree. But this one thing we can be assured...God loves us and His word tells us in ICor:10 that He will not put anything on us we are not able to bear. Trust in Him and He will give you the peace which passes all understanding. I love you both and am praying for you both as well as Cindy,Aaron, and Jeremy. Love Tia
