“ *Diann worked at North Side, working alongside the first grade teachers. She was such a joy to be around. Her wonderful personality and beautiful smile lit up the room she was in. Lots of good times and laughs were had with Diann. I loved her!! May her soul rest in peace and perpetual light shine upon her!! Prayers for Olen, her sons and all of her family.*

I loved this lady and her family. I will never forget her sweet beautiful spirit and man oh man what a fantastic cook. I met many people over my years as a minister's wife but she stands out the most. We miss and love her, but our Lord is celebrating with her!!!

“ I will always remember my sweet Aunt Diann. She was a wonderful Christian woman and always with an encouraging smile. She loved people and loved life. Always on the go and never met a Stranger. She would talk to anyone. Share a smile, a laugh a joke. Always left me with a smile in my heart Someone I looked forward to seeing at every family gathering. She used to tell me that I was the most “family-oriented” grandchild in the family. She knew I would be there and I knew she'd be there at any family event. I have a lot of great memories of her. She was a great cook! I never heard anything mean or bad about anyone out of her mouth. I believe that she is up in Paradise with my Son, Colten, and her parents. I know they are rejoicing to see her! What a wonderful reunion that would be! I will greatly miss her. My heart goes out to Olen Ray and my cousins, Russell, Chris and Travis and all her precious grandkids. See ya in heaven Aunt Diann!❤️

“ My beautiful friend, Diann. I have never known anyone else with such a ready smile. I remember it was your smile and your ability to always laugh that made high school so much fun in Morrilton... "way back then". I remember your love for Olen back then....which brought you joy throughout your life. I have rarely seen such a better matched pair than you two. I am just so appreciative of that visit we had around Thanksgiving time. Once again, we laughed together...even though you had been through a lot and were preparing for surgery. I thought we had more time to share memories together because best friends can just pick up where they left off, no matter how much time has past. Diann, my precious friend, you will live forever in my heart. Carol (Pitman/Noland) Boyd

A beautiful Lady has passed from our lives to the life of the ever lasting. Our Lord is holding her gently within His arms and caring for her as she cared for her family while she was here with us.
