“ *Have a ton of memories spending every summer helping Daddy (Jim Buford) and Don work cattle at the sale barns and farms. He always let me sit on "his" stand at deer camp and would turn the dogs loose at just the spot so they would run past me!!! Never got a shot at one, but it was a lot of fun listening to the dogs run and all the camp fire stories!! We've lost two good ones this year.... Daddy and Fluke.... I guess Fluke knew camp wouldn't be the same without dad.*

“ *I will miss Don so much. He was always there for me. Don was always helping every body whenever anybody needed anything. He looks after the farm when we were away and would always drive around the house and check on things for Tom and Anna Belle.*

“ He always made me laugh. I have so many memories that it would take to many pages to write. The one thing I know that he was a very generous man. Raising all those tomatoes and vegetable to give away. I will surely miss him and always remember that he made me laugh.

“ *Fluke was a real gem, I was very lucky to call him friend. We spent many happy and good times in the deer woods as well as at the river down back fishing. These memories will stay with me the rest of my days. I know the good Lord has another great angel in Heaven. I Miss him and will be thinking of him often.. Rest easy my friend, Jesus has his arms around you. Paul.*

“ Panky, my thoughts and prayers are with you. I've had heart surgery and am recovering, not out and about yet. Sorry I will miss the funeral. His death will make a big void in a lot of lives. The "MAYOR" can never be replaced. I will always remember your dad as one of the most fun people as well as a hard-worker, generous, helping person I ever knew. Above all, in all circumstances, he always remained a true gentleman. I will miss him greatly.

“ What a Man! I don't know if there will ever be another quite like Fluke. I was sad to hear of his passing. He had such a infectious smile. I don't think that you could have ever been around him that he wasn't saying something to make you smile. He was such a giving and kind person. A very sad loss to the Community where he lived. My sympaathy goes out the entire family. Hopefully, the many cherished memories will aid in healing you hearts. Kim "Hawks" Billingsley
