Your family meant so much to me, as an adult we have the ability to look at our past with clearer and wiser eyes; thanks for being across the street...and thanks for the memories. i'm saddened to hear of your dad's death because of the grief i know it will cause you....i lost my dad about 10 years ago...know that you are all being prayed for; and thought of during this season....peace be with you and your family.*

“ *Mary Ann,
You and Don were so good to me and Jimmy and Shantelle when we all lived in Little Rock. We loved your family so much. I pray that Don and Jimmy are reunited with their family members that are in Heaven. I know Jimmy has shown Don around Heaven by now.
I hope you get to rest a little. I know you've had, if nothing else, a very physically exhausting time.
Fondly, Becky*

“ *Dearest Don's Family,*

Don was a special person to me and many many countless others. He always had a smile on his face and always seemed to make good out of bad. It truly was an honor to be able to take care of him years ago at Saint Luke's. What a treasure of a man. He always had a bright spirit and that spirit will live on in each and every one of you. You all now have a special guardian angel watching over you. My thoughts and prayers go out to you all and know that I am praying and thinking of you. With Deepest Sympathy, Debbie Kershenbaum Haith

“ *Although I didn't have the pleasure of knowing Don Stobaugh, I had the good fortune to work with his brother, Danny, years ago at Worthen Bank. And, Danny was an energetic and rock-solid citizen, who was admired by his friends. I was proud to be called his friend, and join with him and all the Stobaughs with heartfelt sympathy.*
