“ *Our condolences to the family at this difficult time. Doc and Dora befriended my family when we moved to Cheney, Kansas around 1956 - 1957 and discovered that we were originally from Arkansas. My memories were of visiting their home for Sunday dinner after church and playing with Wesley, who had great toys. Dora was a wonderful and enthusiastic mother. After we moved from Cheney in the early 1960's our families lost touch. When I saw Dora's obituary I wanted to let the family know how sorry I was.*
