“ *I am so sorry to hear of your sweet mother's passing. I will not be able to make it to her services. However, I want you to know I will be praying for your family. Moore's Station was my "go to" gas station for years. Your sweet mother was always willing to wash my windows with a sweet smile on her face. I still "see" her face and remember her pleasant smile each time I turn that corner in Dover.*

“ *I'll always remember the weekends you came to our house to make turnovers to sell at the church bake sale, your peanut brittle and sewing for you one summer when I was back in California. . . . and your laugh . . . it was like no others and came from our toes. I know Momma will miss her sister's visits. . . may God bless and keep Aunt Dorothy in his good graces.. . I'll think of her and the family often with loving memories.My best to the family. . . .
