“ *Gwynne and I would like to extend our sincere condolences to the family of Ms. Talley. My Mother, Marjorie Hinterthuer, was the Director of Nursing at Conway County Hospital for many years and considered Ms. Talley to be a true friend as well as a trusted and respected colleague. Together with Mildred Peterson, another of mom's close friends, they were the "three musketeers" of the hospital - always providing the best if care. Mom died in 2007 and I know she happy to again see her dear friend.*

“ *My family still remembers the care our neighbor Ms. Talley gave to our dying mother (Vera Gibson Burns) when we lived on South Division Street in Morrilton in 1954 and how nice David and Monterey were to Judy, Janet and I. We would all like to extend our condolences.*
