“ *Please accept my sincere condolences, Eddie was my dearst friend, and she was like a mother to me. I can never tell you in words what she meant to me, and the love and appreciation to her and your family for all you have done for me and my family. I don't know what we would have done without her in our time of need when my Mom died. She was a good friend to all , and she was always willing to help anyone she could. She may have been small in stature, but was very large in her heart. Her love and kindess will never be forgotten by all who knew her (especially me), my love and heartfelt sadness will be with you in your time of loss.*

*Love to each one of you,
Danna*

“ *Marsha June, Sara Joan and Doug - My heart is heavy today with the loss of Aunt Eddie - we had many wonderful, extended conversations about family, friends in and around Paragould and politics - lots of laughs and some tears (she was my shoulder many times) - Aunt Eddie knew how lucky she was that the three of you lived so close and the relationship she had with you all - she was so crazy about Josh! - she will be so missed by ones that knew and loved her - a wonderful gift of gab and a wealth of knowledge about our family -*

I love you all - our memories will last forever!
