“ *What a dear sweet lady she was. Will always remember the many dishes she would send to the Sheriff's Office when I worked with Joe. Special breakfast washer monkey bread made in time for Joe to bring it still hot for us to enjoy. These two people will forever have a special place in my heart. Prayers for the family during this difficult time.*

“ *I didn't get to visit Aunt Edith much in her last years. But I will always remember the days as child staying with her and uncle Joe. I Think of those days often and will always remember how good they were to me. They played a large part in my childhood and the thought of them leaves a smile on my face every time. Aunt Edith was always positive no matter what was going on. Her smile was infectious. I can still taste the homemade biscuits and chocolate gravy! My thoughts and prayers go out to you Eddie and Charlotte. My God hold you in the palm of his hand. Love,Art*

“ *I was very sorry to have just learned about Edith's death. We were classmates and friends at Scotland High School. I had been corresponding with her in recent years but did not receive a response from my most recent communications to her. Now I know why.*
