“ *We received a letter today to Granny from our cousin, Pat in California. Granny loved Pat and looked forward to her visits, as we all do. So, I add this precious letter from Pat:
Dear Edna,
You have gone on ahead of us. You left us with so many memories. In my own life, I find your aprons, kitchen gadgets and homemade quilts. One quilt rests on my rocker. Whoever sits there usually asks me about the quilt. The last time I visited with you-it was wonderful. We enjoyed breakfast around your table, filled with good food, stories and laughter. Oh how I loved each moment. These are memories never to be taken away. Rest in peace, dear Edna, rest in peace until we see you again. Love, Pat*

“ For as far back as I can remember I always loved going to see Aunt Edna. Her house was always a meeting place for all the Whitley's and there was always a warm welcome, big hug and pat on the back for you when you got there. She was always cooking something. I can never remember going there as a child that you didn't have a meal. Her green beans were the best!! I feel very blessed to have had her for my aunt. I am very sad that she is not with us, but know that she is in a much better place, with no pain and perfect eye sight and seeing all of God's beauty. Heaven has one more special angel.

To Robert, Barbara, Beverly, Jennifer, Randy and Robert, I love you and you are in my prayers. Memories are made to cherish and recall at any time. So keep all those special memories of her in your heart and know that she is a happy lady today in Heaven with all her family who when on before her.

Thank you God for giving me a special Aunt Edna!
